

**NEXT CHAPTER MEETING:  
OCT 14TH 11AM IN HOG ROOM**

# Director

From the dashboard of your Director,

As the season continues to wind down be on the look out for any and all opportunities to put those last few miles on your bikes. There will be two ride opportunities this weekend, both connected with the Lake County Honor Flight. An escort to the airport from North Chicago on Friday morning and the escort back from the airport on Sunday afternoon. These opportunities will be listed on our Facebook page and within this newsletter.

The Fall Colors Ride will be occurring on Saturday the 14th leaving the HOG Room at 9. But Gym you are saying, our meetings start at 10. We are making a slight change which include riding to the Appeltroew Winery in Burlington, then returning for an 11:00 meeting follow by a picnic of brats, chips and pop. Possible bag boards out to play.

We still have shirts from the both shirt orders, the button up shirt order and name badges that can be picked up and extras for anyone who might like one.

Please remember that at this meeting, we will be accepting nominations for both Director and Secretary for a November election. My desire is to run again as your director.

I know that it is still warm outside but the cold weather will be here soon, so let's gather winter gear at our upcoming to a local shelter or veteran's home. Let's do some good in the 'hood. Keep the shiny side up!
